

## New Ads on the userpages

Contributed by Administrator  
Sunday, 19 August 2007

Hello out there,

I'm currently testing some new ads on the userpages, I hope they do not contain any offending ads but I tested them so I think it should be fine. These ads are serverd by adgridwork and will healp to spread the word about dhost :)

If you have any problems or concerns with these ads, please simply leave a messag at our forums or use the comments feature here, thanks
