

Metaphysics I: The Nature of Being

'x and y agree with respect to being F', according to various combinations of views on properties/objects

View on objects \ View on properties	Non-Reductive Realism	Substratum Theory	Bundle Theory
Non-Reductive Realism			
Object-based Reductive Realism			
Trope-based Reductive Realism			

- Object
- Substratum
- Property
- Trope
- Exemplification

Note: containment of an entity within another can represent either a set/member relationship or a bundle/constituent relationship
